By *Gosling, Harris, Humpherson, Whitmore & Willan*

Product Type: Softcover

Price: 408,00 kn (428,40 kn uklj. PDV)

Subject Area: Medicine - Anatomy

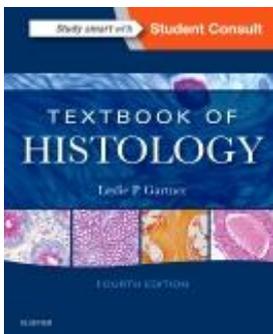

The new edition of this well-known hybrid anatomy core text and atlas superbly depicts and describes the human body, so you can identify anatomical structures with confidence and have a clear understanding of the core anatomy you need. Now fully revised and updated, it is the **only** textbook and atlas of gross anatomy that illustrates all structures using **high-quality dissection photographs AND clearly labelled line drawings** for each photograph. This is combined with concise yet thorough text to support and explain all key human anatomy and clearly relate it to clinical practice. The complete, downloadable eBook (via Student Consult), enhanced with interactive self-assessment material, completes this superb, comprehensive resource.

It will be particularly relevant to **medical and dental students**, as well as candidates preparing for **higher surgical specialties and radiology**. It will also be an invaluable, accessible guide for students in other professions where anatomy is an important component of the course.

- **New highlighting of expanded clinically relevant portions of the text and the Clinical Case Skills pages** help readers quickly understand how to apply gross anatomical knowledge to clinical settings
- **High quality, colored dissection photographs** show structures most likely to be seen and tested in the lab – helps

students recognize and interpret gross specimens accurately

- **Interpretive line drawings next to every photograph** clearly identify structures described in the adjacent text and consistent use of color-coding helps differentiate muscle, ligament, peritoneum etc.
- **New photographs with the latest imaging techniques** employed in current practice reveal anatomical structures clearly
- This book **comes with the complete, downloadable eBook via STUDENT CONSULT** – enhanced with **new interactive self-assessment material** to check understanding and aid exam preparation
