

Dear colleagues,

It is our great pleasure to invite you to the symposium "Power of Microbes in Industry and Environment 2023", which will be held in Poreč, Croatia from May 15th to 18th 2023., in Valamar Diamant Hotel.

Main Symposium Topics include:

Microbes in the laboratory

Microbes in the factory

Microbes in the human body

Microbes in the environment

Microbes in the computer

(<https://hmd-cms.hr/power-of-microbes-2023/programme/>)

Since the **deadline for application is approaching**, here are some important dates to remember (<https://hmd-cms.hr/power-of-microbes-2023/important-dates/>)

1. **FEMS grant application for Young researchers - February 15, 2023** (<https://hmd-cms.hr/power-of-microbes-2023/fems-grants/>)
2. **Abstract submission - February 25, 2023**
3. **Early registration Fees - March 15th, 2023**

Accommodation:

The Organizing Committee has secured special rates and different types of accommodation for participants and their accompanying persons. Accommodation is possible in Valamar Diamant Hotel 4*.

Excursion and Symposium Dinner

The excursion with dinner will be organized on Wednesday, May 17, 2023 and should be paid in advance. The excursion includes a visit to the picturesque medieval town of Motovun with a local guide. After the sightseeing, a conference dinner will be organized in the tavern Jadruhi, being one of the most prestigious and well-known agrotourism in Istria.

Hope to see you in Poreč :)

In the name of the organizing committee
Andreja Leboš Pavunc
